

12 February 2019

Dear Customer

**Potato crop update - February 2019**

Further to our update in October 2018, potato prices have climbed slowly since the beginning of the year.

We have been able to hold our prices steady as the majority of our potatoes have been coming from our local supplier, but unfortunately his main crop has now finished. However he does still have a variety called Wilja, which is a good all rounder and can be used for roasting, chipping and mashing.

We will hold the price of all our potatoes until the end of February - for varieties and prices please see below:-

Wilja (local) - 25kg - £12.90 - perfect as an all rounder

Maris Piper High Flyer (Cambridgeshire) - 25kg - £14.90 - ideal for chipping and roasting

Koffmans - 20kg - £18.50 - great for chipping

Koffmans Washed Reds - 25kg - £16.50 - an alternative for mashing and boiling

Maris Piper Washed & Graded - 25kg - £15.90 - excellent for roasting and chipping

As always, here at Lovejoys we do our best to provide you with high quality products. Therefore we will do our best to keep the costs down and not compromise on our standards.
